ST. MARY and OUR LADY of the LAKE CATHOLIC CHURCHES

TODAY'S READING REFLECTIONS

THE PRESENCE OF GOD - After the miracle of Jesus walking on water, the disciples exclaimed, "Truly, you are the Son of God" (Matthew 14:33). Most Christians will probably never experience such a dramatic miracle. Like Elijah, we await the manifestation of God in other moments. Perhaps the biggest challenge for the believer is to be constantly attuned to the possible presence of God in the everyday events of life. This is a stance that takes some people years to develop. Others seem to find the Lord easily in the simple things. As the week unfolds, let us look for the presence of God in the little things around us. Perhaps, like Elijah, we will be surprised at what we find. And, like the disciples, we can add our voice to the confession, "Truly you are the Son of God."

TREASURES FROM OUR TRADITION

In many church buildings constructed in the early twentieth century, there is a window or statue of Pope St. Pius X. Often, these windows were purchased with coins collected by grateful children, since in 1910 a decree admitted much younger children to First Communion.

Before then, only teenagers were customarily confirmed and then admitted to the Eucharist. What we often think is ancient practice in fact sometimes has fairly shallow roots, in this case only ten decades. For centuries, Communion had marked the end of formal religious education, but a hundred years ago, Pius X located it at the point at which a child could express a desire for the sacrament and receive it with understanding. In

1917 a new code of canon law determined that age to be about seven, and this practice was observed almost everywhere until the beginning of the Second Vatican Council forty years ago. In a growing number of dioceses, recent practice has restored the sacramental order that Pius X's generous decree upset, and increasingly confirmation is celebrated before First Communion. But the gift Pius gave to the children of the Roman Church remains firm: everywhere we admit children to the Lord's table.

Where the traditional order has been restored, seven-year-old children are confirmed before First Communion.

The following is a brief summary of guidelines we must follow during this time of global pandemic:

Please use hand sanitizer upon entering the building. Remember that wearing a mask at Mass is not an option, it is a requirement. Our cry room will be closed. The six-foot social distance rule still stands. There must be no social gatherings before or after Mass. Communion will be given in the hand. The withholding of the cup of blessing and any physical exchange of peace during the Mass continues. Also, there are to be no non-liturgical meetings in excess of 50 people. If you are ill or have any medical issues, please stay at home.
